## UPDATES + REMINDERS

**DIRECTORIES:** Updated directories will be sent out to residents next month.

**FENCES:** Please check your backyard to make sure there are no trees, plants, vines, etc. resting directly on the fence, roof, or siding.

**GARDEN TOOLS:** Apollo purchased some garden tools to pick up the gum balls (sticky balls) which anyone can use. One tool works better on cement and one works better on grass. Please check with your block captain to gain access to these options.

## **UPDATES + REMINDERS (continued):**

**LAMPLIGHTS:** You might have noticed red or pink ribbons tied on lamplights that aren't working around the neighborhood. We are working on making the necessary repairs and will connect with homeowners as-needed. If you notice a lamplight is out that does not have a ribbon on it, please report it to your block captain.

**PETS:** There is not an open dog run in the neighborhood. This is a city ordinance. Please do not let your dogs off-leash in the north or south courtyards, or anywhere else.

**PARKING LOTS:** Please ensure that any cars in Apollo parking lots are legally licensed and move at least every 30 days. FYI: We are working with Mission police on the minivan in the Southeast parking lot.

**TRASH DISPOSAL:** Please do not deposit trash or yard waste behind fence lines. Please do not deposit pet waste under the van in the Southeast parking lot.

## UPCOMING MEETINGS:

Monthly Meetings at 6:30pm

Optional for non-board members

- April 17 @ Sylvester Powell Community Center
- May 15 Location TBD
- June 19 Location TBD
- July 17 Location TBD
- August 21 Location TBD
- September 18 Location TBD
- October 16 @ Sylvester Powell Community Center

## ANNUAL MEETING:

Annual Meeting at 7pm

Open for all homeowners

- Tuesday, November 14th, 2023
- Location: Sylvester Powell Community Center

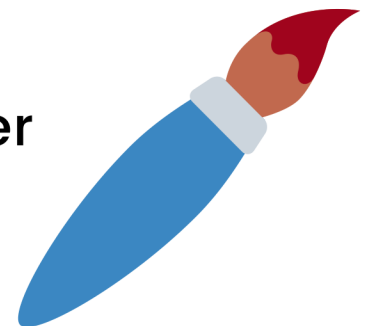

## OPPORTUNITIES TO GET INVOLVED:

Are you interested in getting involved in the neighborhood? Read on and reach out to your block captain if you're interested in the first two opportunities!

Light bulb replacement – We need 1 or 2 volunteers to replace light bulbs on an as needed basis around the community. Light bulbs will be purchased by Apollo. Instructions will be provided.

Exterior Paint – We need 1 more volunteer to join the paint committee to help us decide on paint color(s) and get bids!

Shed clean-out – Saturday April 1st at 12pm Elizabeth will be in the north courtyard to clean out the shed (weather permitting). Feel free to show up and help out!
